

OUR SERVICE OFFER					SERVICE CENTERS		
	TREATMENTS	SUBSTRATE	COLOUR	Specificities	France 	Poland 	Czech Republic 
Electrolytic Treatments	<b>ZELTEC 1.0</b> (Zinc Alkaline)	Steel	Grey				
	<b>ZELTEC 1.1</b> (Zinc Acid)	Steel, Cast iron	Colourless				
	<b>ZELTEC 2.3</b> (Zinc Iron Alkaline)	Steel	Colourless, Black				
	<b>ZELTEC 2.4</b> (Zinc Nickel Acid)	Steel, Cast iron, Stainless Steel	Grey, Black, Blue				
	<b>ZELTEC 2.0</b> (Zinc Nickel Alkaline 12-16%) Replacement for Cadmium treatment	Steel	Grey, Black	Rack process			
				Barrel process			
	<b>ZELTEC 2.1</b> (Zinc Nickel Alkaline 6-8%)	Steel	Grey, Black	Rack and Barrel process			
	<b>ZELTIUM@+</b> (Chromium appearance without Cr6)	Steel	Glossy ("Chromium appearance")				
	<b>DIPSOL IZ -C17+</b> Zinc Nickel Alkaline 12-16%	Steel VHR (Very High mechanical Resistance)	Grey				
<b>Localized application with pad</b>	All						
Paint / Graveling protection	<b>SENOSOL</b> (Graveling protection)	Steel	Grey				
	<b>Cataphoresis</b>	Steel, Steel revětu, Zamac, Cast iron, Aluminium, Magnesium, Brass	Black				
	<b>Powder Paint</b>	All	Multi-color				
	<b>Wet Paint</b>	All	Multi-color				
Electroless / Chemical Treatments	<b>Alodine</b>	Aluminium, Light Aluminium, Magnesium					
	<b>SURTEC 650@ without Cr6</b>	Aluminium	Passivation				
	<b>Electroless Nickel</b> High (HP) and Medium (MP) Phosphorus	Steel, Brass, Aluminium	Colourless, Grey	Rack and Barrel process			
	<b>Electroless Nickel PTFE</b> High Phosphorus (HP)	Steel, Brass, Aluminium	Colourless, Grey				
	<b>Passivation</b>	Stainless Steel	Colourless				
Other Treatments	<b>Stress Relieving Treatment</b> (stress relief anneal)						
	<b>Degassing</b>						
	<b>GFE@, Hot-dip galvanizing with or without VG10 passivation</b>	Steel, Cast iron	Grey, Black				
	<b>Phosphating</b> (Zinc, Zinc Calcium)	Steel, Cast iron	Grey	Rack and Barrel process			
	<b>Tampo printing, Logo printing</b>	Steel, Aluminium, ...	Grey				
Additional Services	Controls (thickness, testing, ...)						
	Corrosion resistance testing (Salt Spray, ECC1, Environmental chambers, Kesternich, ..)						
	Assembly, Gluing of components and/or sub-assemblies, Masking, Welding ...						
	Tribofinishing, Shot Blasting						
	Logistic (EDI, KANBAN, FIFO...)						
	Packaging
